A Mere Compliment.

Apropos the fact that Governor Willson has been away from the capital over one-half the time since he was inaugurated Governor of Kentucky, the Frankfort State Journal is moved to remark:

"We regret to see the disposition on the part of the public press to severely criticize Gov. Willson for not keeping campaign promises. The papers should not be unreasonable. No one should expect campaign pledges to be kept. They are not made for that purpose. Who ever

heard of a Republican keeping them? Besides, Gov. Willson is too busy with outside affairs to attend to State matters. He was not elected to attend to the latter anyway. His election was merely a compliment to himself."

Elder D. G. Combs, the noted Mountain Evangelist of the Christian Church, delivered a fine temperance lecture in this city Tuesday night. Had he not been sick as previously mentioned, Elder Combs would have been here much earlier in the action.

Twelve Months Dead Line.

By order of the Postoffice Department all weekly papers can no longer be mailed as second-class matter to subscribers twelve months or more in arrears. In complying with this new ruling we have been compelled to cut off 300 names, and all subscribers from this time on will have to be promptly dropped when their subscription becomes twelve months past due. Please keep yourself from under the dead line by paying one year in advance. Publisher.

LOCAL OPTION WINS

Powell Again Votes Ont Saloons by Handsome Majority.

The Local option election of yesterday is very satisfactory to the temperance forces. They carried every precinct in the county but Hardwick's creek which was 84 wet. Stanton was the banner dry precinct giving 161 majority for the temperance cause. Clay City went forty dry.

All day was a busy one for both sides in Clay City. It was a fine day and a large vote was out. There was plenty of money on the wet side, while the temperance people did not sit idly by and see exhausted all the material to be worked upon. For a time it looked as if though this city would be lost but victory was won in a hard fought contest. The returns complete are as follows:

| | |
|------------------------|---------|
| Stanton | Dry 161 |
| Clay City | " 40 |
| Virden | " 28 |
| Slade | " 28 |
| North Fork | " 20 |
| Bowen | " 45 |
| Hardwick's Creek | Wet 84 |

Total Dry Majority..... 234

The temperance people are rejoicing exceedingly. The vote in the county three years ago gave about one-half the current majority which shows how the cause is growing, and that the people of Powell are in keeping with all parts of the country in the great temperance wave. If the question continues to spread, it will, in a few years be a national issue.

Sues for Valuable Property.

Some time last summer we made mention of some valuable mineral leases of John W. McKinney of this city and the heirs W. E. and D. R. McKinney in Menefee county. Upon this subject a special from Mt. Sterling says:

"Suit has been filed in Menefee county by John W. McKinney and the heirs of D. R. and W. E. McKinney against the Central Kentucky Natural Gas Company, which is supplying the cities of Mt. Sterling Lexington and Winchester, contesting the title to some of the most valuable property the gas company possesses. It is claimed that the McKinney brothers together with Wood C. Dollins bought the mineral rights in the lands on which the wells are situated in the year 1871, long before the leases of the gas company were made. The original purchase of the McKinneys is on record at Frenchburg, the county seat of Menefee, and the plaintiffs claim the gas company could and should have known of it when they took their lease. The suit does not ask damage or claim any specific a-

mount for any cause, but simply raises the question of title. If it should be decided that the McKinneys are the real owners then the gas company will have to make some settlement with them or move off. John McKinney, of Clay City, Powell county, is the only one of the original purchasers now living."

R. L. Daniel, D. R. Daniel, Miss Kate Daniel and Mrs. Wm. Mountz, Sr., of this city, are heirs of D. R. McKinney, deceased and will come in for an interest.

How to Address Your Letter.

The Postoffice Department is anxious to completely revise the present form of addressing a letter. Postal authorities state that if those sending mail would write the name of the State first, county second, town third, street fourth and name of addresses last, the mail handlers could do their work almost twice as fast.

Republican Clubs.

Taft and Fairbanks Republican clubs are being organized all over the State with the Taft men apparently in the lead. In our opinion Taft's and Roosevelt's ideas of government are the best ever advanced by the Republican party, and it would look to us like a step backward for that party to repudiate the present administration.

Again we are forced to be a day late on account of pressing job work the first of the work.

Spring Announcement.

That reliable nursery firm H. F. Hillenmeyer & Sons, of Lexington, have their Spring announcement in this issue. They employ no agents, thereby saving an unnecessary profit. The consumer gets the benefit of this saving. A trial order will convince you. Write for catalogue today if you need anything for the orchard, lawn or garden.

Winning Their Fight.

The tobacco pooled by the Society of Equity is gradually being sold to independent buyers who are thought to be agents of the tobacco trust. Negotiations are now pending for the purchase of all the tobacco that is pooled. If this deal is consummated, the steps taken by the society to cut out the 1908 crop, will annulled.

Sues for Damages.

L. B. Cockrell, as administrator of Mrs. Celia Banks, has filed suit in the Circuit Court at Winchester against the C. & O. railroad for \$25,000.00 damages. Mrs. Banks lived in Wolfe county, and last spring she was run over at the Main street crossing in that city and was so badly hurt that she died from her injuries.

Word has just been received from Williamsburg announcing the sudden death of Louis Bradley, Sr. Mr. Bradley left this city last Spring and went to live with his son, Boone Bradley at Williamsburg. The particulars of his death have not been learned.

The Courier-Journal is persistently ripping up the Democratic members of the General Assembly. The reading of that paper and the Republican Louisville Herald reminds us of two devoted brothers.

This Bank Offers You Complete Safety and Makes Your Money Aid Prosperity.

SAFETY.

When you are asked to put your money in a bank you have a right to know and should know just how and why that bank is safe. We want you to understand the reasons for the supreme safety of this Bank.

The Clay City National Bank

is organized under the National Banking Law and is under the constant supervision of the United States Government.

Not less than five sworn reports must be made each year, and these reports are always called for an unexpected date in the past. The affairs of this bank must always be in such shape that we can make a satisfactory, detailed statement to "Uncle Sam" for any past date that the Comptroller of the Currency may pick out.

This means daily readiness. These reports must be published and must be verified by the expert Bank Examiner whom the Government sends here to thoroughly examine this Bank twice each year, at unexpected times.

This Bank has PAID IN CAPITAL of \$50,000.00, Surplus of \$7,800.00, and under the Federal Banking laws applying to National Banks, its stockholders are liable for \$50,000.00 making altogether \$107,800.00, which stands, not as the total security, mind you, but as the margin of security protecting its depositors. All of this sum must be lost before any depositor can lose a penny.

This Bank is restricted by law to conservative business methods.

The funds are protected by modern steel vaults and insured against burglary and sneak thieves.

Its officers and employees are under bond for the faithful discharge of their duties.

All of these things, coupled with conservative management, insured by the careful, personal attention constantly given the Bank's affairs by a notable able Board of Directors, assure our patrons of that supreme safety which is the prime essential of a good Bank.

The Man Who Hides His Money Invites Robbers and often Loses His Cash.

Simple Home Recipe.

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers also recommends it as harmless.

Not for Woman's Suffrage.

The Clarion is asked to publish a whole lot of slush each week, the purpose of which is to educate the people in permitting the women to vote. We just can't. We don't believe in it; neither do the delicate and discriminating women of this country. When such an innovation does come a beautiful spectacle will be disclosed. The demimondes of the country and all those cheap screws of feminine creation will take charge of the polls, and decency, duly abashed, will hide its face at home. When the decent, lovable woman of this country want it, then it will be time enough. Truth of the matter, there are enough people voting in this country now, and the present list should be pruned by an educational test, together with a proper presentation of a tax receipt before the voter be allowed to get within eighty-three miles of the booth. Unpopular; yes, we know it is, but what should man care for criticism if his opinions are born of honest truth and a love of his dear country?

If some of the boys don't soon pay up there is going to be some property sold for tax at Stanton Monday by Sheriff J. M. Kemmon. Better pay and avoid further cost.

C. C. Eaton, who has been stationed at Nathanton, Owsley county, in the stove business has gone to Maulden, Jackson county, to engage in the same business.

J. Crews Rash, general manager Brothead-Garrett Company, has been quite sick at his father's home at Winchester. We hope to soon see him back at his duties.

Nearly four weeks of Mr. groundhog's winter has passed, and he has given us full measure. It seems that he must be a better weather prognosticator than his competitors.

Sam DeBaun, of Mercer county, aged 88 years has a Holland bible that is over 500 years old. It is bound over with walnut boards which are fastened through leaves by brass clasps that are locked by a key.

The Rev. Bruce W. Trimble, of the Mt. Sterling Advocate, delivered a strong local option speech at the Christian Church in this city Friday night. His address was well received and had a good effect upon all.

The bank and postoffice were closed Saturday in honor of Washington's birthday. Uncle "Go" birthday is not so popular in Clay City as Uncle Sam's.

The Rev. A. Mackenzie Meldrum, of Scotland, who was billed to lecture here Friday night had a full house, and his lecture was very interesting. Brother Meldrum is a very pleasant talker and made a good impression on his listeners.

Several from here attended court at Winchester Monday and report trade only fair. But few cattle and all of them of an inferior grade. Mules were plentiful and not much in demand at much lower prices than last year. Horses were very dull.

The Clay City National Bank has another one of their fine reports in this issue. It is now conceded to be one of the solidest institutions in this part of the State regardless of the panics. It has gone through two and withstood the storm as strong as the rock Gibraltar.

"Uncle" Abram Rucker of this city will enjoy his 17th birthday Saturday, Feb. 29. While he is 72 years old it seems that he should have had eighteen birthdays, but the year 1900 was not a leap year, though it was due at that time. "Uncle" Abram is an old Confederate soldier and still hail and hearty for one of his age.

If Democrats had been in power when this panic occurred, we all know, by experience of 1893-1896, what Republicans would have said. It's a poor rule that will not work both ways.

Suffering and Dollars Saved.

E. S. Lopper, of Marilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at Swann-Day Lbr. Co.'s store.

When he got home his mother-in-law met him with a rolling pin, and then there was a total eclipse.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alterative tonic is sold under guarantee at Swann-Day Lumber Co.'s store. 50c.

The whiskey interests of Richmond not being satisfied with the exceeding dryness of that town caused by the local option election there last spring, petitioned for another election. The petition was dismissed by Judge Benton. So they must now remain dry for three whole years.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at Swann-Day Lumber Co.'s Store. Trial bottle free.

Hygeno DIP AND DISINFECTANT
THRIFTY LIVE STOCK

The all important question with the farmer and live stock raiser is how to produce the most beef, pork or mutton with the smallest expense. The only answer is, prevent disease rather than try to cure it. Hygeno dip and disinfectant is a powerful germicide and positive insecticide. Used occasionally as a dip and spray it will keep the livestock in a healthy and thrifty condition. Hygeno costs less than one cent a gallon when diluted and we can positively say it will cost you more if you do not use Hygeno than it will if you do. If your dealer cannot supply you, write to Hygeno, and we will name and we will send you one of our pamphlets and our Hygeno Book and free sample.

THIS GLORIOUS GOLDEN CLOCK FREE

for a few minutes of your time. No one who has a home to live in can afford to miss this truly **GOLDEN OPPORTUNITY**

To secure FREE of charge a Clock, the most important thing in the home. And such a Clock, too! **BEAUTIFUL GOLD AND GUARANTEED FOR TEN YEARS.**

READ EVERY WORD OF THIS GREAT OFFER

To get this beautiful Clock FREE is the simplest thing in the world. All you have to do is write me a postal card and say you want to get it. I will then send you by mail, prepaid, a carefully wrapped package of handsome portraits of George Washington, and ask you to show them to your neighbors.

These portraits are copies of the best known painting of the first President of the United States, and are different from and handsomer than any picture of the kind you ever saw.

This is just the picture for the dining-room or sitting room, and because the very name George Washington strengthens the love of home and country in old and young alike, everybody will want one of them and will be glad to pay for it on the liberal proposition I will authorize you to make. You only have to collect \$5 in this way to make this Glorious Clock yours forever.

TWO BEAUTIFUL EXTRA GIFTS

In addition to the Clock I have two other lovely presents which I will give you—two more handsome ornaments which anyone who loves a pretty home will be delighted with. One of these gifts I will send to you FREE AND PREPAID as soon as I receive the postal card with your name on it. The other one I will give to you just for being prompt in following my instructions. I will tell you all about the second extra gift, when I send the first one, which I will do as soon as I hear from you, so HURRY UP.

YOU TAKE NO CHANCES in writing to me, because, if the Clock does not prove to be even better than I have described it, and if it does not delight you in every way, you may send it back and I will pay you handsomely in cash for your trouble. Also, if you get sick or for any other reason fail to collect all of the \$5, I will pay you well for what you do. So you see, **YOU CAN'T LOSE**, so sit right down and write to me as follows: "D. R. OSBORNE, Manager, Nashville, Tenn. Please send me the portraits of George Washington and complete outfit for securing the Glorious Golden Clock, with the understanding that this does not bind me to pay you one cent." Then put your name and address.

The Cambridge Reversible Sulky Plow is the highest type of plow of the twentieth century—constructed on correct, scientific and mechanical principles. It is the result of a constant endeavor to produce a perfect riding plow, and has 62 years experience in plow making back of it. Made in two sizes and from the best malleable iron and high grade steel. Improved and extra heavy steel wheels with dust cap and removable chilled boxes. Easy to manage, always under perfect control.
